- Scientific Research and Development Services
- Sound Recording Industries

Freelancing is still an old-school business.

Just like e-commerce in 1994, freelancing activity is gradually migrating to the online world. This is why Sahara Skills is positioning itself as an online Freelancing platform

High friction in traditional freelancing business. The Problem We Are Solving

Every stage of the process has traditionally been disconnected, with little consistency from person to person.

Buyers

From **finding**
The right talent

To **collaboration and support** during transaction

To **reference and trust**

To **negotiating** the deal

Freelancers

From **finding**
customers

To **winning**
jobs

To **payment**
uncertainty

To **delivery and payment**

2. Our unique e-commerce approach

Our
e-commerce
approach to
freelancing.

Service-as-a-Product model

To buy and sell **digital services** in the same fashion as physical goods on an **e-commerce platform** with a comprehensive SKU-like service catalog.

On-demand

No hiring process. No long-term commitment.
Getting businesses help when they need it.

End-to-end platform

So **businesses can focus on meeting deadlines** and **freelancers can focus on doing what they love and Making an income.**

Global community

Bringing together a **global community of businesses and African freelancers** to shape the future of work.

We are not an
online staffing
company.

Staffing company

Short/long term temporary employment

Bidding, vetting and contract negotiation

Opaque and non-standardized scope, timing and cost

Connection only

Sahara Skills

Service-as-a-product (SaaP)

Browse, search, click to order

Transparent timing, price and deliverables

End-to-end platform

Our value to buyers

Transparency and certainty of price, scope of work and quality and speed

Value for money

Access to an expansive catalog of digital services

Access to a diverse pool of freelancers

Trusted brand for customer service

Our value to freelancers

No bidding / negotiation to win projects

Maximize deal-flow

Flexibility and control

Frictionless payment and business support

Credentialed storefront

Success management and support

Our two-sided marketplace creates **powerful flywheel effects.**

1M+ Daily Website Visits

1000K+ Sellers since inception

50+ Countries

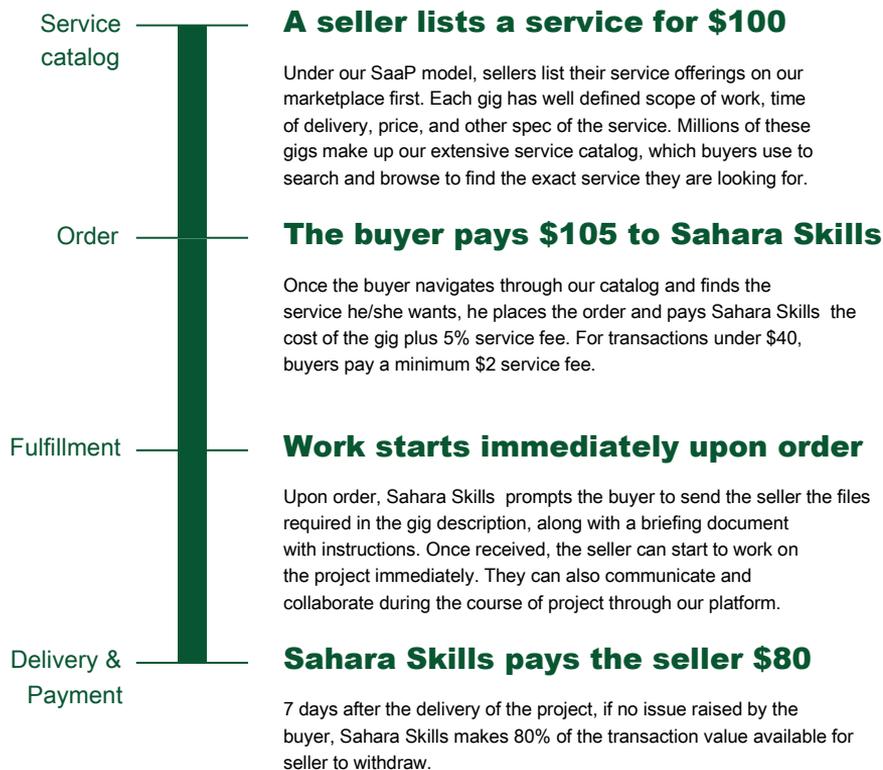

100+ Services

20% Of Investment Goes To Hiring Talent

50% Of investment will be used for Fund Security/Growth hacking

How we generate revenue.

An illustrative example of a \$100 transaction.

Our strategy to grow without a sales force.

Global

Target audience: **SMEs**, or “**Start-ups**” as we call it.

Horizontal

High value creation from transaction #1.

Organic network effect drives **majority** of new buyers.

Drive high LTV with repeat and cross-category purchases.

4. Growth and operating leverage

Going upmarket.

We shall **continuously grow spend per buyer** on our platform by **attracting high lifetime value customers** and by offering high-value Gigs.

We strive to provide a one-stop shop of digital services for our buyers through category expansion, leading to **increasing cross-category purchases and expanding wallet share.**

High-value buyers, those with annual spend per buyer of over \$500, will **contribute to over 50% of total revenue** .

5. Long-term growth drivers

Multiple levers expected to drive long-term, sustainable growth.

Encompassing every aspect of the future of work.

Welcome to the future of work in Africa.
